Anthony Myrick	Como, N. C.

GRADUATED MAY, 1906.

Ophelia L. Evans	Harrellsville, N. C.
Lillian A. Cobb	Harrellsville, N. C.

The names of all students in the Primary Grades (except boarders), 67 in number, have been omitted, and no name will be inserted until the student has advanced far enough to enter the first year's studies in the Preparatory Department.

Elementary English Course.

(CONDENSED.)

This department is designed to give preparatory instruction to those who are not able to enter the First Year Course in the Academic Department.

FIRST YEAR.

1. Reading—Word Method, using First Reader.
2. Spelling.
3. Writing, making Roman and Script Letters.
4. Simple Drawing and Paper Work.
5. Fairy Tales and Simple Stories for Children.
6. Number Work.

SECOND YEAR.

1. Second Reader.
2. Spelling.
3. Fairy Stories.
4. Arithmetic.
5. Writing and Drawing.

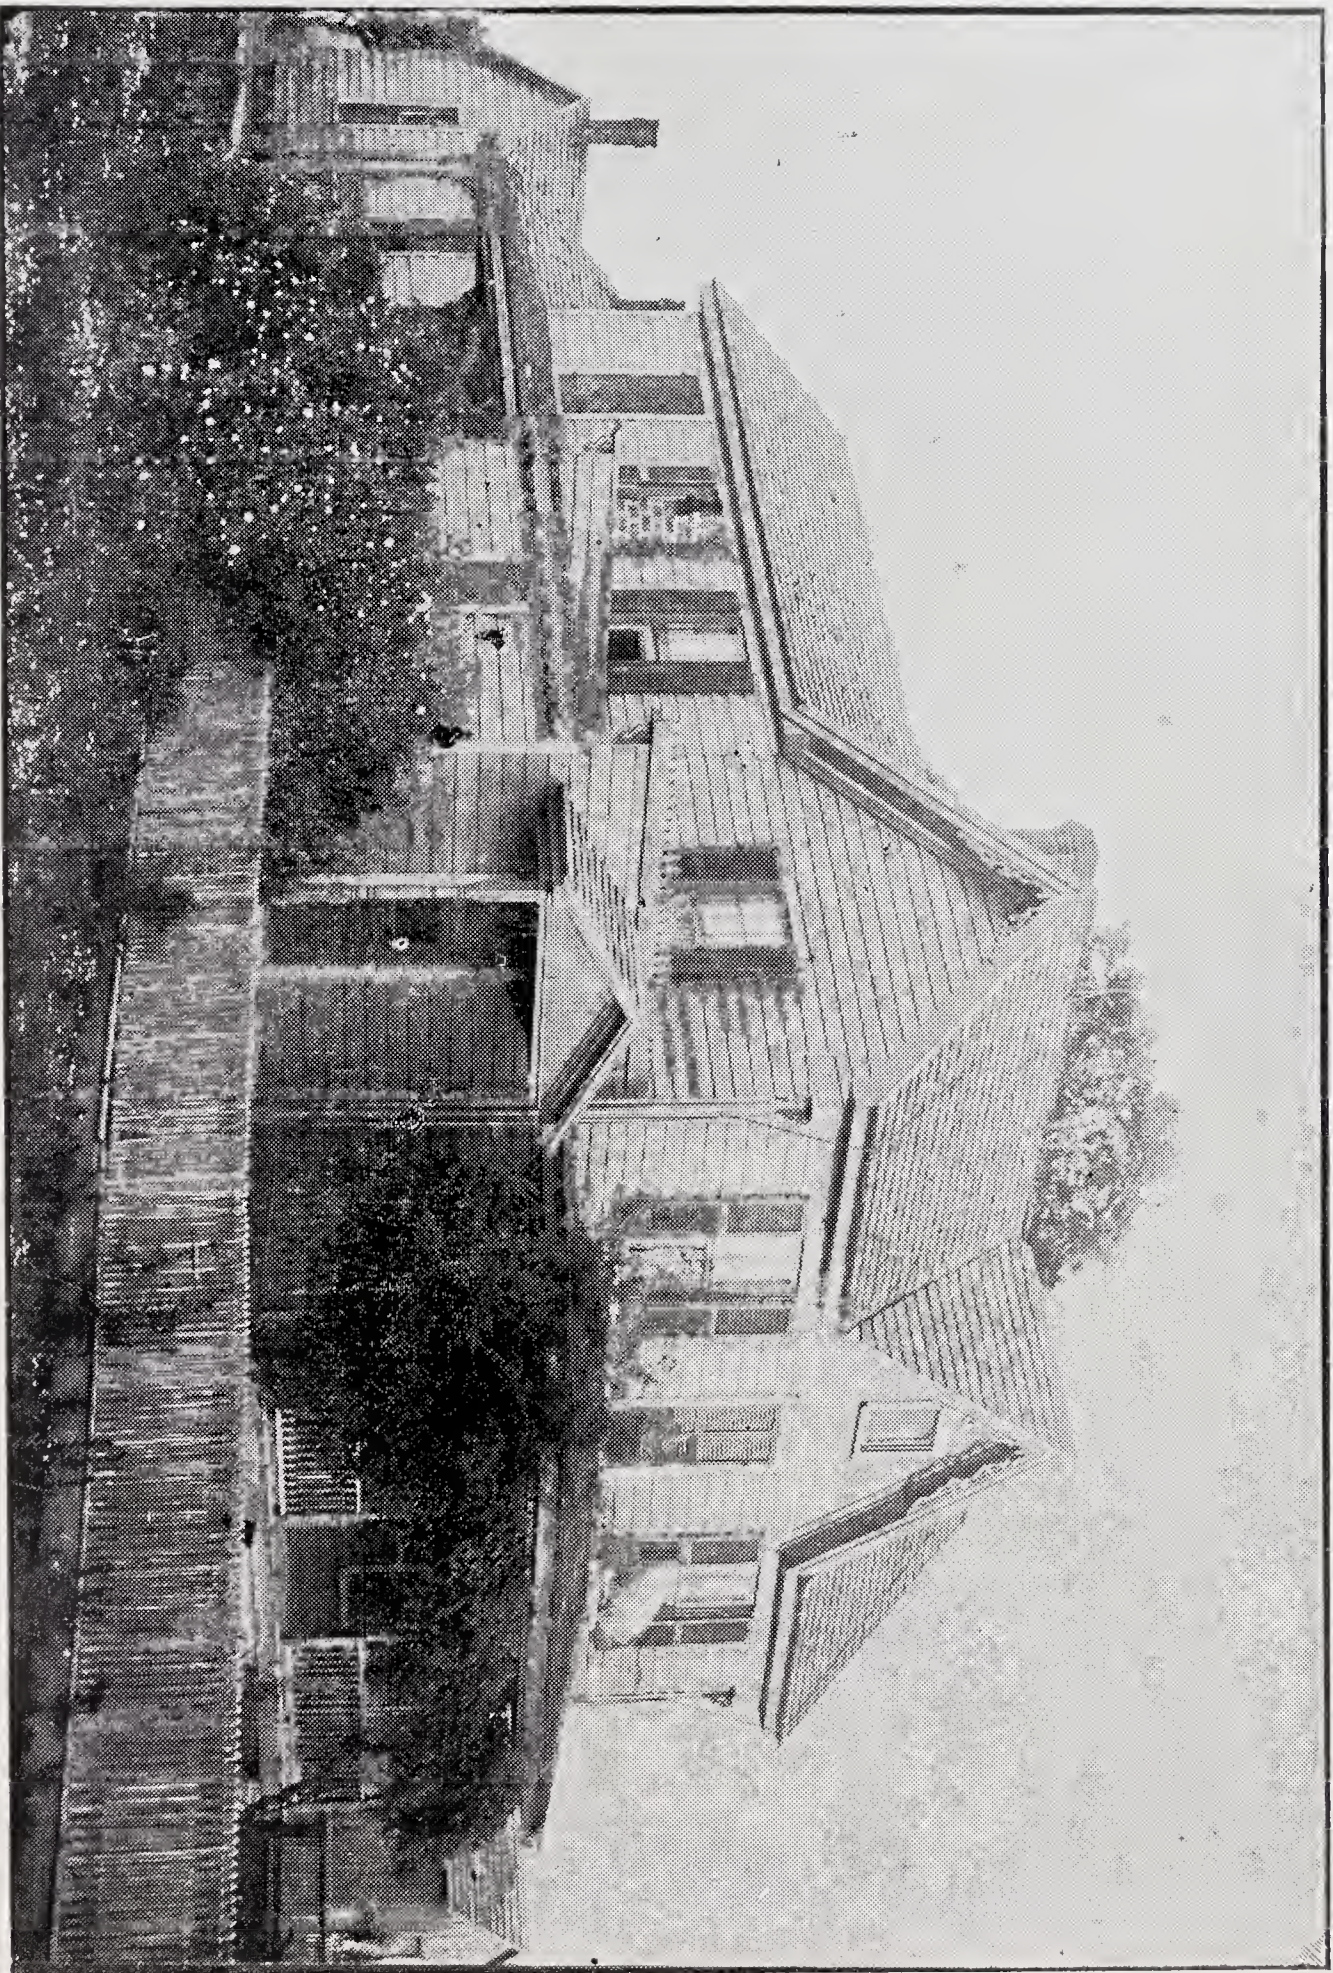

THIRD YEAR.

1. Third Reader, and Graded Classics.
2. Stories of Great Americans.
3. Spelling and Defining.
4. Arithmetic.
5. Writing and Drawing.

Preparatory Course.

FIRST YEAR.

1. *Reading*—Fourth Reader and selected books on National History.
2. *Spelling*—Oral and written, and Defining.
3. *Penmanship*—With elementary drawing lessons.
4. *Arithmetic*—Elementary, oral and written.
5. *Language*—Language primer and oral lessons on familiar objects.
6. *Geography*—Elementary Geography, stories of countries, places and people.

PRESIDENT BROWN'S COTTAGE, WATERS NORMAL INSTITUTE.

SECOND YEAR.

1. *Reading*—Fifth reader, and books on history, biography and literature.
2. *Spelling*—Oral and written.
3. *Penmanship and Drawing*.
4. *Arithmetic*—Text-book and mental.
5. *Grammar*—Graded lessons and easy compositions.
6. *Geography*—Elementary text-book, and map drawing.
7. *Lectures*—On familiar sciences.

THIRD YEAR.

1. *Reading*—Child's U. S. History, English authors, prose and poetry, Fifth Reader.
2. *Spelling*—Dictation exercises; Penmanship and Drawing.
3. *Arithmetic*—Elementary, completed.
4. *Grammar*—Graded text-book, completed.
5. *Lectures*—Familiar science, Elementary Physiology.

Academic Course.

(CONDENSED.)

To be admitted to this course the applicant should have completed in a satisfactory manner, all the subjects of the Preparatory English Course, or should pass an entrance examination on a full equivalent of that course.

FIRST YEAR.

1. *Language*—English Grammar and Composition.
2. *Mathematics*—Higher Arithmetic from Fractions.
3. *Geography*—Manual and Map Drawing.
4. *History*—United States, with study of National and State Constitutions.
5. *Physiology*—With Laws of Health and Influence of Stimulants and Narcotics.
6. *Spelling and Defining*.
7. *Literature*—"Hiawatha" and "Evangeline," etc.
8. *Bible Study*—Biblical Authors.

SECOND YEAR.

1. *Mathematics*—Algebra; Arithmetic Reviewed.
2. *Language*—Rhetoric and Composition; American Literature and Authors; Longfellow's "Miles Standish," etc.
3. *History*—Ancient, to the Fall of the Roman Empire.
4. *Geography*—Physical.
5. *Science*—Elements of Civil Government and Agriculture.
6. *Biblical Study*—Evidences of Authenticity of various Books.

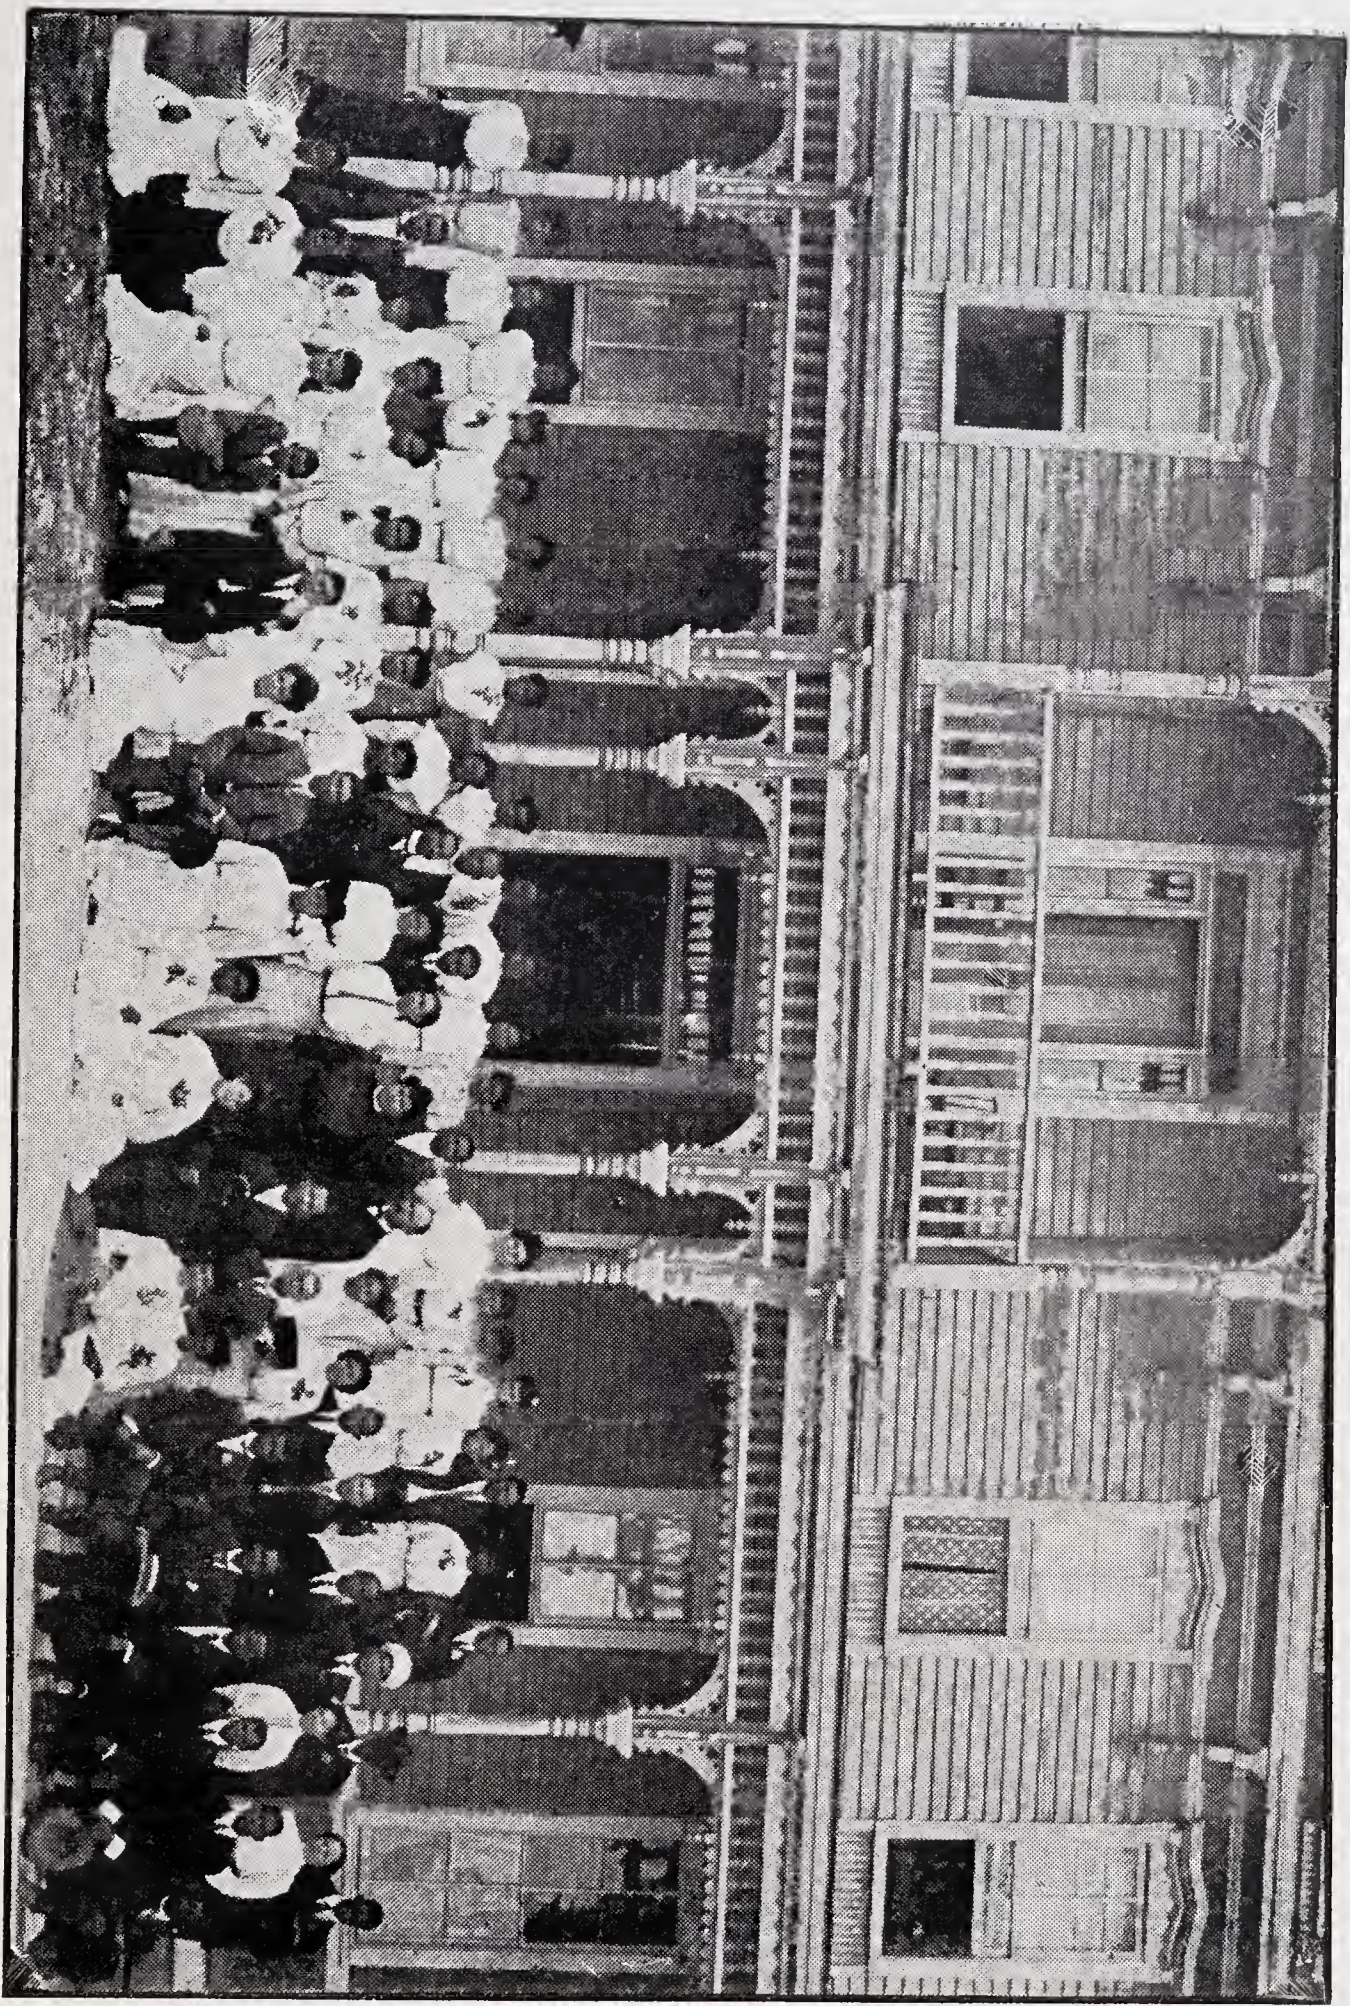

THIRD YEAR.

1. *Mathematics*—Algebra, Geometry, plane.
2. *Language*—Rhetoric reviewed; English Authors and Literature; Shakespeare's "Julius Cæsar" and "Merchant of Venice."
3. *Bookkeeping*—Practical Business Methods.
4. *Science*—Botany, Physics.
5. *Latin*—Drill in Declensions, etc.; Easy Methods or Steps in Latin.
6. *Bible Study*—Groups of Books.
7. *History*—Mediæval.

FOURTH YEAR.

1. *Mathematics*—Geometry, plane completed (5).
2. *Language*—Composition, Principle of Sentences Applied (2); Literature—Shakespeare's "Hamlet; Scott's "Lady of the Lake."
3. *Science*—Astronomy; Physics.
4. *Pedagogics and Psychology*.
5. *Latin*—Grammar and Cæsar; First Steps in Greek.
6. *Bible Study*—Places and People.

"A" Division begins the course on first monday in October;
"B" Division begins the first Monday in January.

A GROUP OF STUDENTS AND TEACHERS,
WATERS NORMAL INSTITUTE.

Special Instruction.

To meet the requirements of teachers' examinations, lectures will be given on the principles and art of teaching, school organization and management.

Minister's Course.

Provision is made for the accommodation of that class of ministers actively engaged in pastoral work who cannot afford to take an extended course, and who desire a more substantial preparation for the great work of preaching the gospel. An abridged course, including instruction in Language, Art of Expression, Christian Doctrines, Church Polity, History of the English Bible, Church History, Church Work, and Pastoral Duties, has been arranged to meet their wants.

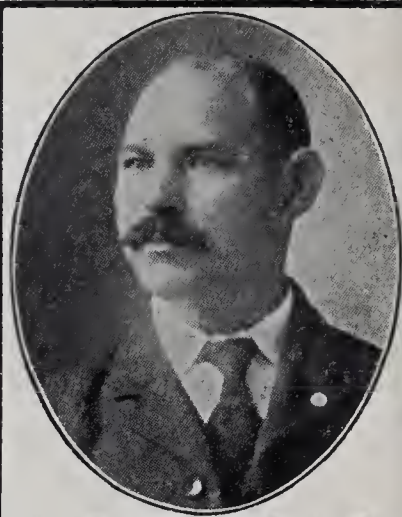

Music.

Instrumental and vocal music are taught. One dollar extra per month will be charged and collected from all students taking instrumental music lessons—two lessons each week.

Waters Normal Institute.

Special Announcements.

Pay Days.

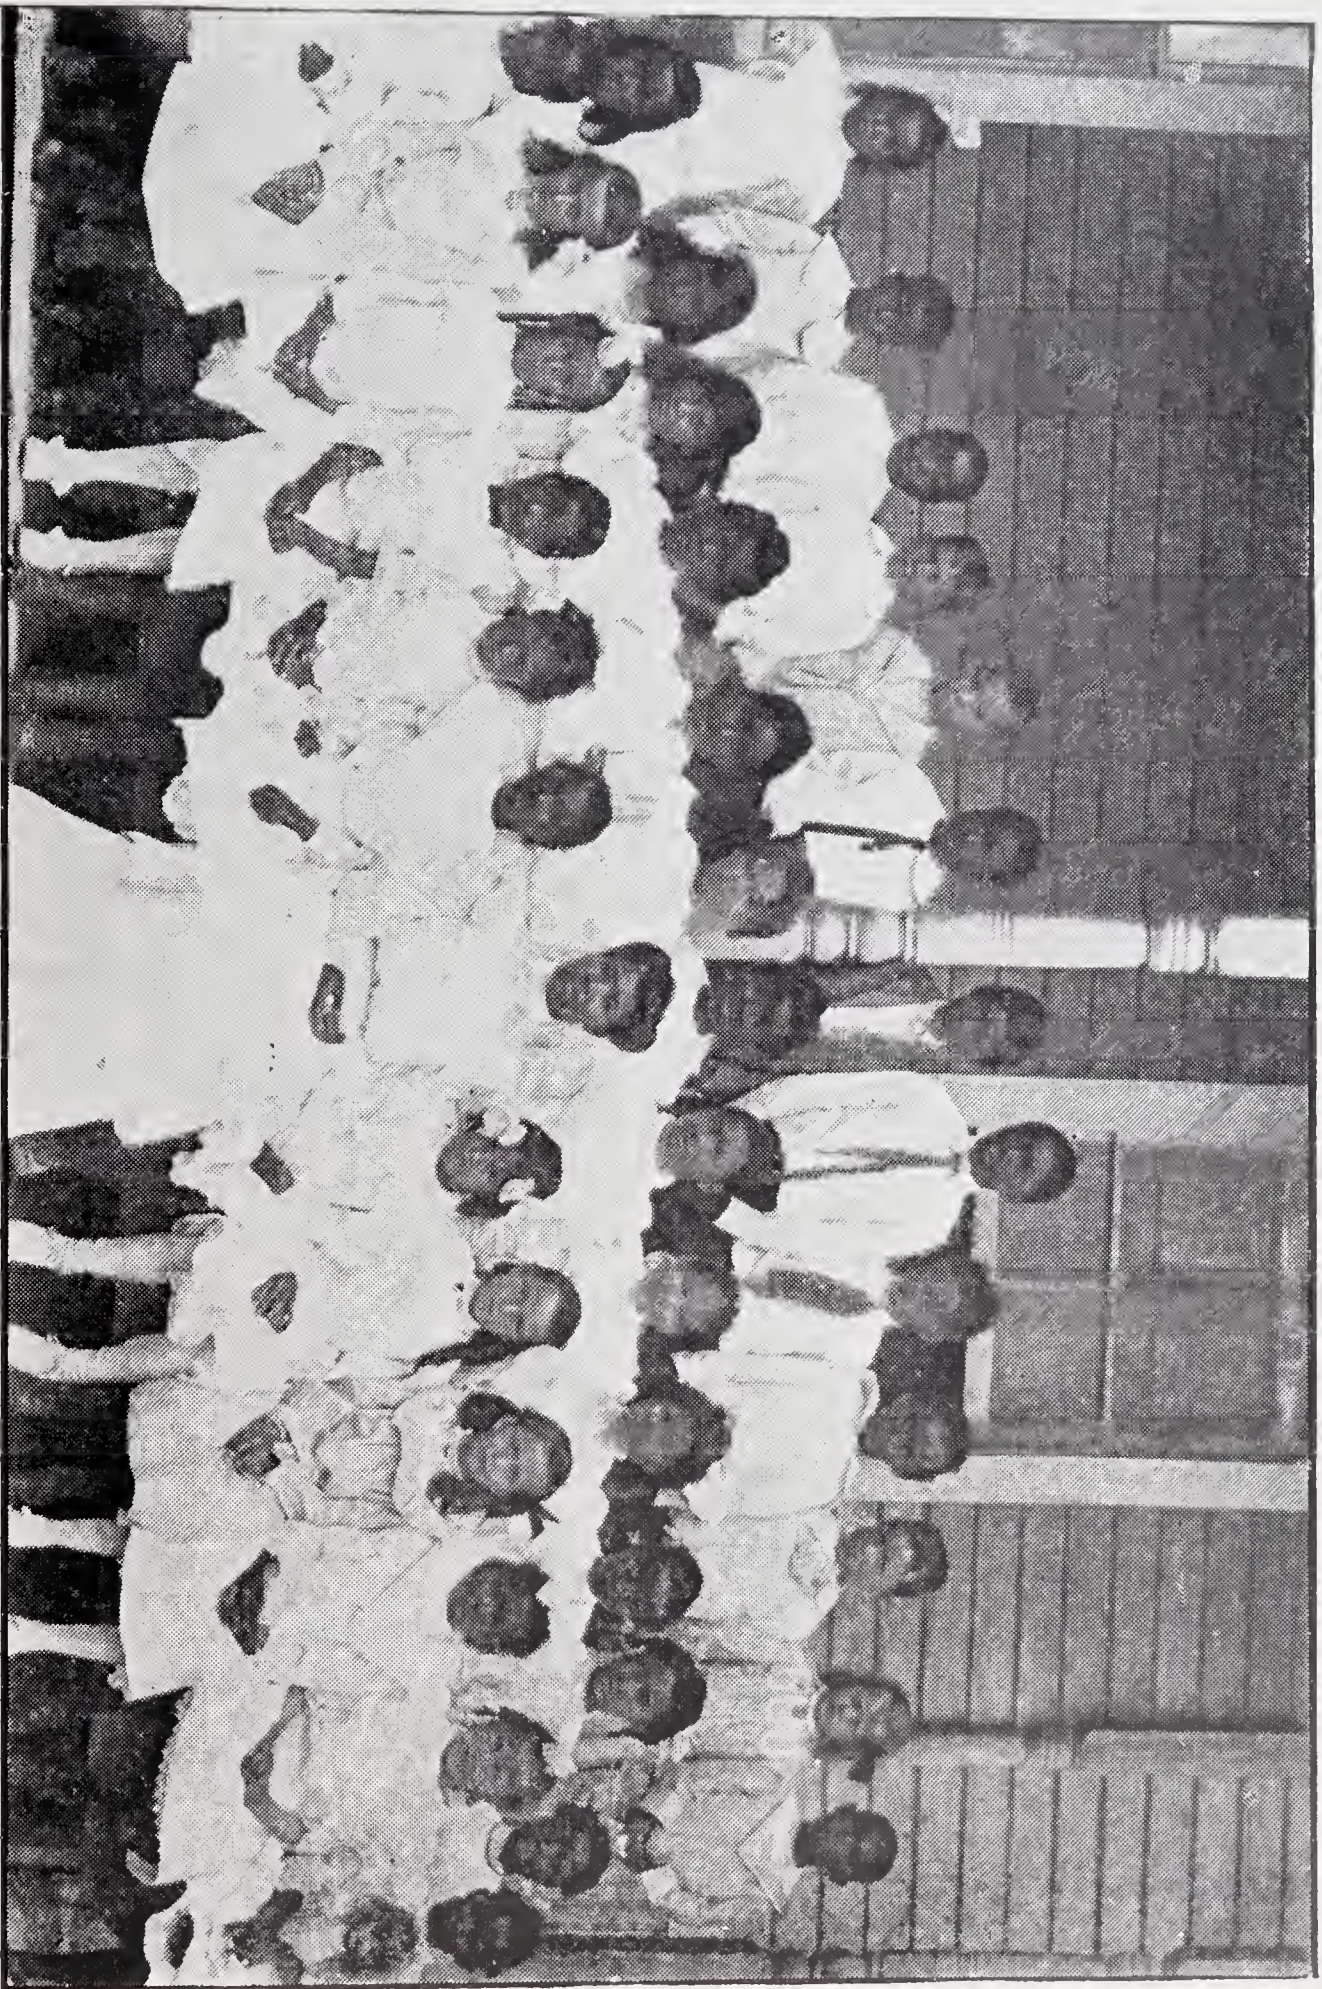

All bills are due in ADVANCE, and the first Monday in each month is designated "Settling Day," and in no case shall a student be permitted to go without adjusting accounts with the President, beyond the following date in each month: October 26, November 23, December 21, January 25, February 22, March 22, April 19, and May the 17th. *A rigid compliance with this regulation will be demanded.*

Location.

This school is beautifully located in the quiet and healthy town of Winton, only a short distance from the wharf, telegraph office, and postoffice, and only half hour's ride from Tunis, N. C., which is our nearest railroad station, on the Norfolk and Carolina road. Tunis is also our nearest express office. A boat leaves Tunis daily for Winton after the afternoon trains. Students are conveyed to and from the cars free of charge on their first arrival and final departure. *Twenty-five cents will be charged for extra trips.*

Buildings.

Good, substantial and comfortable buildings have been erected for the entertainment of boarding students. Reynold's Hall, an edifice beautiful in design, contains lodging accommodations for fifty girls, and arrangements have been made to

GROUP OF CHILDREN IN PRIMARY GRADE,
WATERS NORMAL INSTITUTE.

entertain an equal number of young men. Students are therefore expected to board in school, as by so doing better results can be derived. The managers are striving to make the Boarding Department first-class in every detail. A beautiful church edifice, South Winton, has been erected, in which religious services and public exercises are held.

Religious Instruction.

Moral and religious training are especially emphasized. Regular weekly services and prayer-meetings are held in the chapel, and boarding students are required to attend all religious exercises, and every effort is put forth to give a Christian education. Parents are urged to allow their children to attend all Sunday services. It is positively injurious to have students go home on Fridays and return Mondays. The training Saturday and Sunday is vitally important.

Special Advantages.

We have endeavored to adopt such a curriculum that the prosecution of which will give to those whose limited circumstances prohibit longer continuance in a school, a fair, practical and substantial education, and that will enable those who may be eager for higher attainments to enter our best colleges. Thoroughness and proficiency are the only criterions of progress in our literary work.

Expenses.

Board and washing per month (four weeks), for young men	\$5.50
Board per month, for girls	5.00
Tuition alone, for day pupils	1.00
Instrumental music	1.00
Board, tuition and washing, per session	44.00

Students' rooms are furnished with bedding and everything needed, except lamp, towels, soap, and broom, bowl and pitcher, and bucket. Young ladies should come provided with um-

brella, waterproof and overshoes. Students may enter at any time, but all are advised to enter promptly at the beginning of the term and continue to the close, as it hardly pays to enter and remain but a few weeks. Testimonials of good moral character must be presented on entrance.

All extravagance in dress will be discouraged. Plain, substantial clothing, not expensive quality, should be provided for school-room service. Parents are advised to avoid all unnecessary expense for dress. Dresses of plain, cheap white goods or of other qualities approved by the Matron shall be worn on anniversary occasions.

Financial Regulations.

1. No student will be re-admitted until all previous indebtedness has been paid.

2. On entering school each student must promptly enroll, and the amount to be paid each month must be definitely agreed on and recorded on the school ledger with his name.

3. Each student must state who is to be responsible for his school bills, and the name and address of said sponsor shall likewise be properly entered on the register.

4. One day in each month shall be observed as "settling day," at which time each student will be required to call on the Principal and adjust his accounts. (Dates given elsewhere.)

5. No student will be allowed to remain in school longer than a month without settling, unless satisfactory arrangements are made with the Principal and approved by the Executive Committee.

6. Students will be allowed to pay their board in produce, such as wheat, meal, lard, molasses, and such other articles as can be utilized in our boarding department.

7. The rates being so exceedingly low, prompt settlements are indispensably necessary for the well being of the institution, and will be demanded.

8. Tuition students are subject to the same requirements as boarding students.

A GROUP OF GRADUATES AND MR. AND MRS. BROWN,
WATERS NORMAL INSTITUTE.

Rules of Discipline.

I. Courtesy and mutual forbearance are expected of all; and students will be required to treat teachers with due deference and respect.

II. Students will not be allowed to retain fire-arms in their possession. The use of tobacco and intoxicating drinks are forbidden.

III. Any young man known to go down town at night, without permission, is liable to expulsion.

IV. Students will be held responsible for damage done to their rooms, furniture, or any school property.

V. Students must invariably report to the Principal upon entering or leaving school.

VI. Attendance upon all class and chapel exercises is absolutely required, unless excused.

VII. Students care for their own rooms, and are held responsible for any damage done in them, or any violation of rules, unless promptly reported to the Principal.

VIII. All students are required to do an hour's work each day for the school; but an extra payment of one dollar per month will relieve them from this responsibility.

IX. Rooms occupied by students are subject to inspection daily, and must be kept clean and tidy.

X. All students must apply themselves diligently to their studies during study hours, and must avoid visiting, talking, or making noise calculated to interrupt others.

XI. All students must obey the rules of the school—discipline and obedience are essentials to success. For persistent neglect of duty, insubordination, or contemptible conduct, students may subject themselves to immediate expulsion.

Organizations.

The following organizations are kept for the benefit and training of students, viz.: The Alumni Association, The Reynold's Mission Circle, a Y. W. C. T. U., a B. Y. P. U., and a Lyceum.

Financial Condition of the Institution.

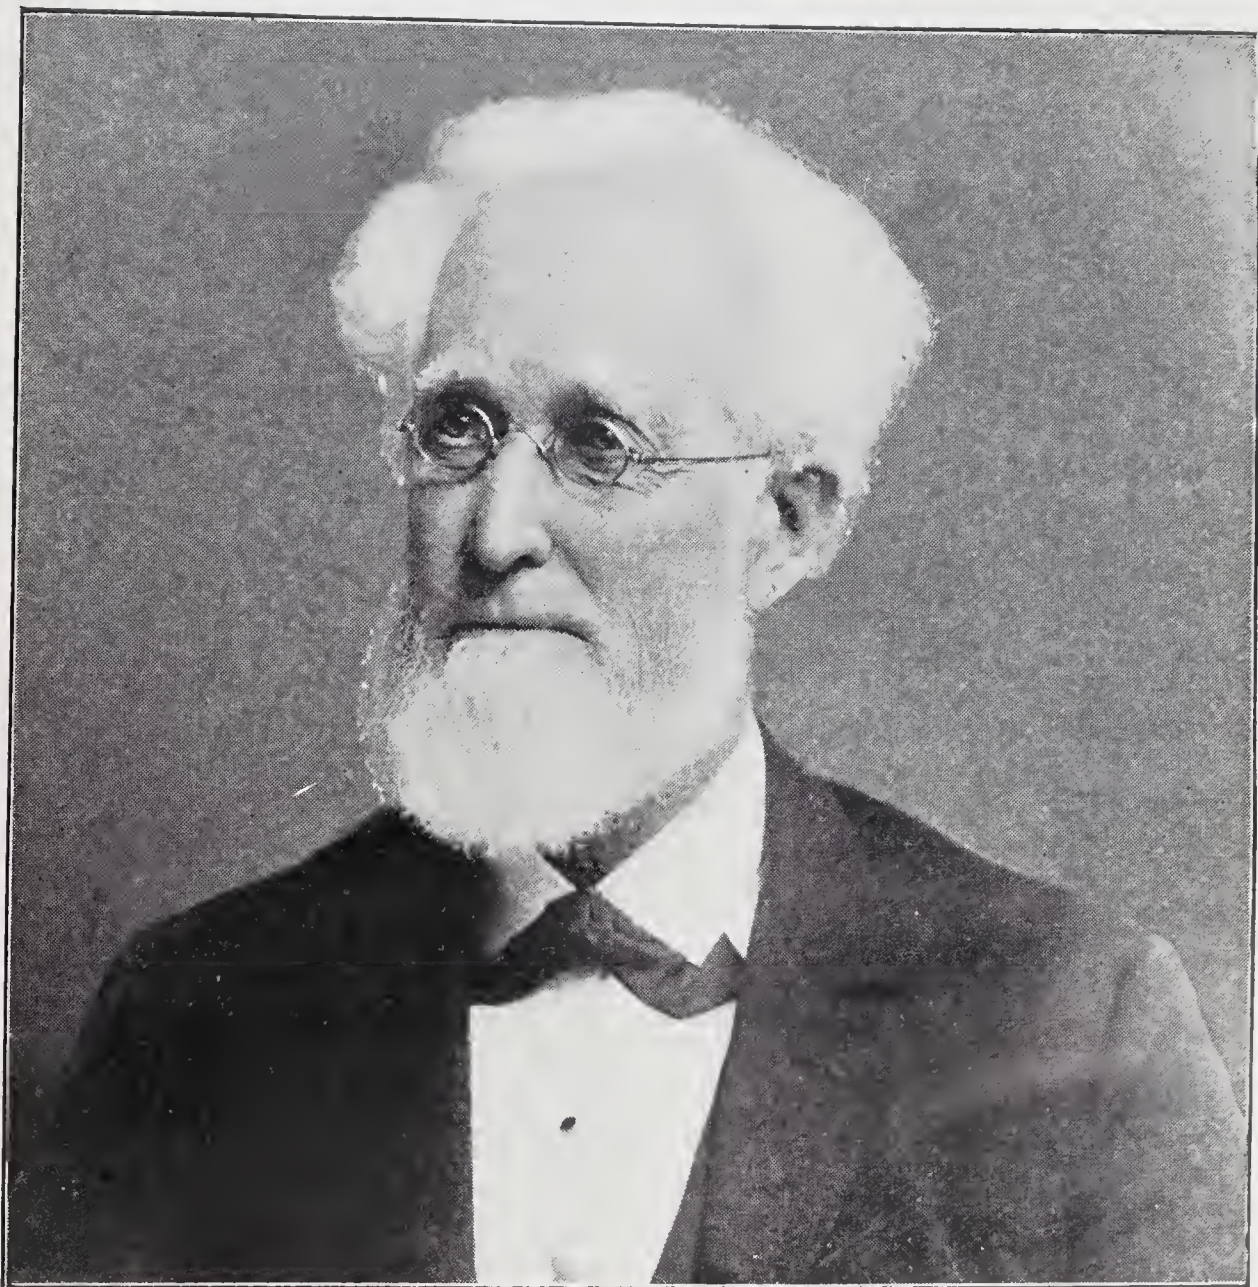

The life of the school depends entirely upon the benevolence of its friends. We have no endowment or permanent fund. The American Baptist Home Mission Society of New York has kindly given us an annual contribution, thus making it possible, with great sacrifice, to keep our doors open. We are forced to depend largely on the meagre contributions of the colored people themselves for support. The Chowan Educational Association, composed of churches in the vicinity of the school, and the Chowan Sunday School Convention, composed of the schools of Hertford County, are the organizations through which we have raised the greater part of our money. The colored people immediately surrounding the institution have displayed magnificent liberality toward the enterprise. The school has developed immensely, and larger sums are needed to provide buildings and meet the growing demands of the institution. We plead with increased earnestness for continued assistance, so that this enterprise, so grandly begun and so admirably located, may be made a permanent blessing to a grateful—though unfortunate—people. *We invite our friends, North and South, having means at their command, and wishing to do a charitable work, or prepare their wills, to consider the needs and merits of Waters Institution.* We seriously need a domestic science building for girls and an industrial hall for young men.

We acknowledge, also, our gratitude to the churches, mission circles and societies throughout the North for the timely service rendered the institution by sending, from time to time, barrels of bed-clothing, household supplies, clothing, etc.

How to Address Us.

Money for the institution may be sent to the Principal, C. S. Brown, D.D., Winton, N. C., and an acknowledgement of the same will appear in the Home Mission Monthly, of New York.

Freight should be addressed C. S. Brown, D.D., Winton, N. C., via Norfolk, Va. Express packages should be marked Tunis, N. C.

MR. HORACE WATERS (DECEASED), OF NEW YORK,
Who contributed fifteen hundred dollars towards the founding of Waters
Normal Institute, Winton, N. C.

Money donated by Northern friends will also be received and receipted for by Miss Certrude L. Davis, 510 Tremont Temple, Boston, Mass.

Population of Hertford County, Where the School is Located.

The following is the population of Hertford County in 1890 and 1900, according to the United States Census report:

	1890.	1900.
Harrellsville Township	2,392	2,425
Maney's Neck Township	1,628	1,861
Murfreesboro Township	2,417	2,379
St. John's Township	4,184	4,392
Winton Township	3,230	3,233
Total	13,851	14,294

In 1890 the Negro population was 7,944 and the white population 5,906; in 1900 the negro population had increased to 8,391, while the white population showed a decrease of 11, there being only 5,895 in 1900.

The same proportion of the colored to the white population will be found in many of the counties adjacent and nearby, indicating the admirable location of the institution.
